Final Preparation for Presentations to the “Cabinet Mission”

This week and into next if necessary, we will conclude all of our work to develop the differing opinions in India prior to independence in 1947. When all are ready, our own “representatives” from the “Congress Party,” the “Muslim League,” the “Sikh” party, and the “Unionist” party will role-play final testimony given before our “Cabinet Mission” (representatives of the British government from London, sent to “shepherd” the birth of an independent India).

We will conclude the unit by completing our viewing of *Gandhi*.

Presentation goals:

Monday, 2/26: **In-class work period.**

Friday, 3/3: **Conclude preparation; presentations to begin if time allows.**

Monday & Tuesday, 2/6 & 2/7: **Presentations continued. If not concluded, we will finish the following week.**
