

Sixth Grade Latin

Overview for Parents

Teacher: Dr. Evelyn Lechner

Content Goals

This year we will be focusing on Roman culture and ancient geography. Students will review parts of Greek and Roman mythology in order to be prepared to take the National Mythology Exam in March. Students will have fun making their own Roman 'notebook', cooking and serving Roman food, designing and crafting 'bullas' (good luck charms). A highlight in 6thth grade Latin class is the yearly performance of skits from Shakespeare's Julius Caesar on Shakespeare Day. This course meets once per week and in the last two trimesters twice per week.

Expectations for Students

Individual and class expectations are presented orally and are posted in the classroom. Daily participation and preparation are essential parts of students' classroom experience.

Homework Requirements

Homework should be written in pencil, and handed in on the assigned due date, to be collected by the teacher and returned on the next class day. All homework assignments will be reviewed as a class in order to ensure each student understands the lesson in question.

Contacting the Teacher

I encourage you to communicate with me about your child's progress. Students should be encouraged to contact me in advance if they anticipate a problem with a due date. I can be reached by e-mail evelyn.lechner@crossroadsacademy.org and by phone at (603) 795-3111 ext. 230.

95 Dartmouth College Highway, Lyme, NH 03768
