

FIFTH GRADE WEEKLY PLANS JUNE 6-10, 2016 T EACHER: DR. FREEBERG

Virtue: Loyalty

Psalm: 121

Dear parents,

Thank you for attending the fifth grade coffee house and for providing the feast. It was a great way to celebrate a great year, but the year isn't quite over yet! This week we will continue work on revising Civil War research papers. I've given lessons on writing an introduction and main body paragraphs, and on Monday I will model different ways to write a concluding paragraph and will explain the format for the required bibliography. I will provide time for revision work in class, but students should also work on this for homework. The final drafts of the Civil War research papers are due on Wednesday, June 8th, or Friday at the latest. It would be helpful if you could assist with typing the first draft so that revisions can be made more efficiently. Upon completion of the research paper, students need to prepare a slide presentation to share what they have learned with the class. Time will be devoted to these presentations on Thursday, Friday, and Monday. Finally, we have an end-of-the-year field trip scheduled for this Wednesday, June 8th. This will include a Civil War tour at the St. Gaudens National Historic Site in Cornish followed by a Civil War tour of the American Precision Museum in Windsor. I will send permission slips home on Monday. Have a great week.

Sincerely,
Bruce Freeberg

DATES TO REMEMBER:

Wednesday: Civil War Research Papers are Due; Civil War Field Trip

Friday:

Thursday, Friday, and Monday, June 13th: Civil War Slide Presentations; Extra Credit Project Presentations

HOMEWORK:

Monday: Work on revisions to research paper

Tuesday: Finish revisions to research paper

Wednesday: Prepare oral presentation; Work on optional extra credit projects

Thursday: Continue preparations for oral presentation; Work on optional extra credit projects
