

FIFTH GRADE WEEKLY PLANS NOV. 21ST-23RD, 2016 TEACHER: DR. FREEBERG

Virtue: Gratitude

Psalm: 100

Dear parents,

In reading during this short week we will begin another great classic of world literature, *Don Quixote*. There will be assigned comprehension questions for the first half of the book and a series of reading comprehension quizzes during the second half. As with *Robinson Crusoe*, there will be accompanying vocabulary work and a number of short in-class expository and creative responses to the text. One chapter of the novel will be assigned on Monday night and another chapter over the break. In history we will begin a new unit on "*The Age of Exploration*." During this unit, students will choose one explorer to focus on in a short research project. I hope you all have a lovely Thanksgiving!

Sincerely,

Bruce Freeberg
