

SECOND GRADE WEEKLY PLANS
JUNE 5TH, 2017

TEACHER: MRS. MARTIN
ASSISTANT: MRS. SMITH

Dear Parents,

On Monday morning the second graders will travel up to the third grade classroom to spend 30 minutes with their new teacher, Heather Verheeck. I am sure they will come back excited about encountering new experiences next year. Then it will be back to finishing up the second grade program!

Language Arts: Our children have finished work in the Open Court reading program, taken their last spelling tests, and are in the process of earning their cursive licenses. This week we will be reading short stories related to recent units and the short geography unit on Modern-Day Japan. The kids are also preparing puppet shows as a part of our unit on immigration to share with the kindergartners. Meanwhile, Mrs. Smith is working to assemble your children's binders. They will serve as portfolios of work done in second grade. I would love you to find some time to review it with your child.

Math: This week we will review most of the units covered this year and the kids will tackle the End-of-Year Assessment. After I review them, we will put them in the binders as well.

Summer Reading Packet: Tomorrow you will find an envelope containing your child's summer reading packet created by Miss Verheeck. Please go over the responsibilities with your child and then sign and return the slip. Every year, a student will return to school in September saying, "I never got a packet." Having your signatures to pass on to Miss Verheeck will put my mind at ease that the new third graders are all set to read this summer!

This is my last weekly newsletter for this school year. It has been a delightful one, in part due to the kindness and support that you have shown the second grade team. Special thanks to our class parents as well as everyone who chipped-in to help. I think we did a wonderful job partnering to create a happy and productive school experience for the soon-to-be third graders! Thank you all for helping to make this a great year.
