

Supply Lists for K–8

Crossroads teachers understand that a part of the excitement of school preparation is the purchasing of new school supplies. As well, students like to have choices on certain items. Teachers need some materials to be uniform for ease of storage, however, so some materials are provided by them. Crossroads also believes in recycling/reusing and sharing our resources. To this end, materials such as used glue sticks, crayons, markers, etc., that are not wanted by our students will be collected and given to the Haven or another such institution at the year's end.

Here is a list of supplies that your child/children will need for the '15-'16 school year.

If the student loves drawing, you might consider a *Staedtler Mars 308WP4BK* Porous Point Pen - Pigment Liner Pen Point Type: Fine Pen Point Size: 0.10 mm, 0.30 mm, 0.50 mm, 0.70 mm Ink Color: Black 4 / Set

Supplies for Students in Grades 6–8

General supplies:

- 2 sturdy three-ring binders with paper and dividers labeled for the first day. One binder should include the following labeled dividers: "English," "History," "Math," and "Science." The second binder should include the following labeled dividers: "Art," "French or Spanish," "Latin," "Music," "Physical Education/Health," and "Tricluster" (for sixth grade only).
- A couple of additional packs of paper, a sturdy locker organizer (to provide extra shelving), and approximately five book covers.
- Students in grades 6–8 will be given a Plan Book and a zippered pouch on the first day; they should bring in 3 boxes of sharpened pencils, Arrowhead eraser caps, a mini pencil sharpener, two highlighters, and a small pack of Post-it notes to place in the pouch.

- Students in grades 6–8 are also encouraged to bring a spell-checker to school, especially if they feel that this will assist them in English class or the writing of compositions.

Science supplies:

Character Ed:

- A sixth, seventh, or eighth grade summer reading biography book should be brought to school for the first three weeks.

English:

- Please be sure to follow the level-specific summer reading and writing guidelines.

Technology:

- Your child should practice his/her touch typing skills this summer. We recommend the software *All the Right Type*, which can be purchased from the website www.ingenuityworks.com. We also recommend the free typing websites www.typingweb.com/tutor/courses and www.typeonline.co.uk/index.html. Students entering sixth grade should be typing 20-25 words per minute.

Physical Education:

- Sneakers (running sneakers or Merrells)

Health:

- Poster Board needed in November/December for Health presentation (6th and 7th)
