

Assignments for Pre-Algebra Weeks of May 16, May 23, and May 30 2016

Due Friday, May 27th:

From old chapter tests pick one problem that was challenging for you. Copy down the problem and write a solution – label each with chapter and problem number. For every chapter that you are missing your chapter test, you must choose 3 challenging problems from 3 different lessons in the chapter – label each with chapter, page, and problem number.

Assignments for Geometry

Weeks of May 16, May 23, and May 30 2016

There will not be a Chapter 14 test, but your homework/in class problems will be graded. We will only be covering Sections 14.1 and 14.4. Your Problems should be done neatly and thoroughly. Class time each day this week will be spent doing these problems. The chapter 14 problems will be due at the end of the day on Thursday, May 19th.

The following is a complete list of the problems to be submitted:

Section 14.1 pages 652-654 # 1-17, 20-23

Section 14.4 Constructions 1 to 6 pages 667-669 (reproduce the Constructions described in the text)

Section 14.4 pages 671-672 # 1-18 (not 4a,b)

These problems will be graded and will count as your test grade for chapter 14.

Monday 5/16

In Class: Time to work on constructions

Homework due Tuesday: Suggested: Section 14.4 page 672 # 12-18

Tuesday 5/17

In Class: Time to finish working on constructions
