**Dear Family Member,**

Your child has been taught to read a number of Tricky Words. Tricky Words are difficult to read and write because some parts of the word do not follow the letter-sound correspondences your child has been taught. These tricky parts are underlined with a gray line. Ask your child to cut out the word cards. Show the cards to your child and have your child read them. Extension: Read the words aloud and have your child write the words down. Please keep and use the cards for future practice.
