

**Grade 8 Science**

**Dr. Day**

Week 12: November 13<sup>th</sup>- 17<sup>th</sup>, 2017

**Stars and Galaxies**

On Tuesday we will do a close reading activity to help us learn about stars and their lifecycles. On Wednesday and Thursday we will learn about galaxies and participate in a citizen science project to identify types of galaxies photographed by telescopes from around the world.

**Homework: Please see the live updating Homework link under Resources on my teacher page**

*Tuesday:* Finish the handout on star formation

*Wednesday:* No Homework

*Thursday:* Finish the handout on the Galaxy Zoo citizen science project.
