

Crossroads Photo Galleries

www.crossroads.smugmug.com

After going to www.crossroads.smugmug.com, you will see this homescreen. Here you will find folders for each month. Click on these monthly folders to dive deeper into individual event galleries.

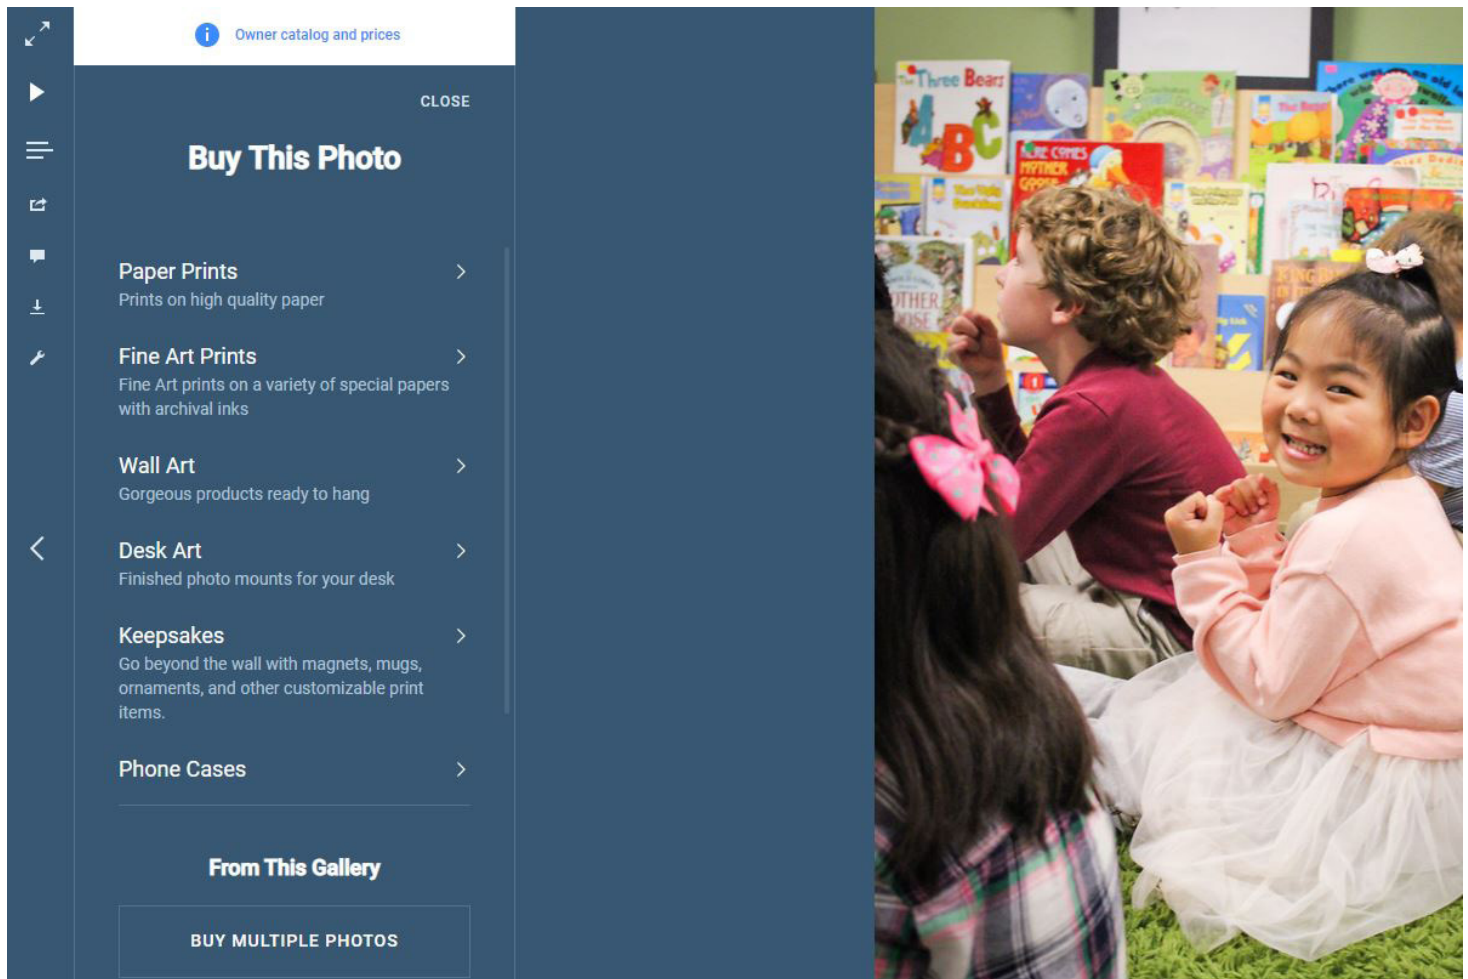

Once you click on a month (September pictured), you will see a number of different galleries that are titled with events that have happened in that month. Click on one of the galleries to see the photos within. The oldest galleries appear at the bottom of the page.

Once you click on a gallery, you will find a number of photos to view. On the lower right corner of the banner photo, you'll see an option to purchase photos from the gallery or to create a book with the photos.

When you click on a photo, you will be given multiple options.

If you select BUY PHOTO, you will have the option to order paper prints as well as many other objects or gifts.

A percentage of every Crossroads SmugMug purchase is directed back to the School!
