

Request for Use of Music

School Year 2026-2027

Student Name: _____

- My child **MAY NOT** listen to music during study halls and class study time.
- My child **MAY** listen to music during study halls and class study time.

Explain in detail why music helps you to study and/or makes it easier for you to study:

If your request is accepted, the following rules must be followed:

- I will create a playlist with appropriate songs.
- I will have my playlist (audio only -- no YouTube) approved by my Advisor.
- I will only listen to this playlist and will not add other songs unless approved by my Advisor.
- I will bring my own earbuds or headphones.
- I will not share my earbuds or headphones or disrupt anyone else in class or study with my music.
- I understand that if the class/study hall teacher finds that I am not utilizing my time correctly, I will be asked to put my music away, and I will lose this privilege for the quarter. *This will be a tech strike.*
- I understand that if my work or behavior in any area of the school is deemed unsatisfactory, I may lose this privilege.
